

Karl P. Griffith, ALA, Principal, BCA Architects & Engineers, Saratoga Springs, NY

Karl Griffith has been working in the field since 1979 and has been a practicing architect since 1987. Educated at Rochester Institute of Technology (Bachelor of Fine Arts) and Rensselaer Polytechnic Institute (Bachelor of Architecture), Mr. Griffith became a Principal in the firm of Cataldo, Waters and Griffith, Architects, PC in 1987. Since 1992, Mr. Griffith was Managing Principal, seeing the firm through an evolution into Griffith Dardanelli Architects, PC, and in 2019 merging the firm into BCA Architects & Engineers. During that experience, he has been closely involved in hundreds of projects, mostly involving educational facilities, but also encompassing a range of facilities from solar homes to mausoleums. Formerly an AIA member, Mr. Griffith has served as the Eastern New York Chapter President and as a State Director for New York State AIA.
